PETITIONAsst. Commissioner for Patents
Washington, D.C. 20231

Sir:

A Petition Fee of \$130.00 under 37 CFR 1.17(h) is submitted herewith.

This Petition is in response to the assertion set forth in the Notice to File Missing Parts in the above-identified application that Figures 3 and 4 were omitted from the filing submission. Applicant believes that the subject application filed June 1, 2001 contained all the Figures referred to in the specification, including Figures 3 and 4, which are alleged to have been omitted.

As evidence of the submission of all the Figures, including Figures 3 and 4, applicant submits herewith a copy of the post card receipt for the submission of the subject application. As shown on the face of the post card receipt (bearing the official US Patent Office decal) application Ser. No. 09/873,104 is awarded June 1, 2001 as its filing date. Moreover, this post card acknowledges that 4 sheets of drawings were included with the application. A copy of these 4 sheets of drawings (Figures 1, 2, 3, and 4, respectively) is attached hereto.

Applicant respectfully requests reconsideration and reversal of the assertion that Figures 3 and 4 were omitted from the subject application as filed, and that a determination be made that the items allegedly omitted were received by the US Patent and Trademark Office. Applicant further requests that the application proceed to examination. Finally, applicant requests that the Petition fee be refunded, as indicated in the Notice to File Missing Parts

I. Should applicant contend that the above-noted omitted item(s) was in fact deposited in the U.S. Patent and Trademark Office (USPTO) with the nonprovisional application papers, a copy of this Notice and a petition (and \$130.00 petition fee (37 CFR 1.17(h))) with evidence of such deposit **must** be filed within **TWO MONTHS** of the date of this Notice. The petition fee will be refunded if it is determined that the item(s) was received by the USPTO.

II. Should applicant desire to supply the omitted item(s) and accept the date that such omitted item(s) was filed in the USPTO as the filing date of the above-identified application, a copy of this Notice, the omitted item(s) (with a supplemental oath or declaration in compliance with 37 CFR 1.63 and 1.64 referring to such items), and a petition under 37 CFR 1.182 (with the \$130.00 petition fee (37 CFR 1.17(h))) requesting the later filing date **must** be filed within **TWO MONTHS** of the date of this Notice.

III. In the event that applicant elects not to take action pursuant to options (I) or (II) above (thereby constructively electing option (III)), amendment of the specification to renumber the pages consecutively and cancel incomplete sentences caused by any omitted page(s), and/or amendment of the specification to cancel all references to any omitted drawing(s), relabel the drawing figures to be numbered consecutively (if necessary), and correct the references in the specification to the drawing figures to correspond with any relabelled drawing figures, is required. Any drawing changes should be accompanied by a copy of the drawing figures showing the proposed changes in red ink. Such amendment and/or correction to the drawing figures, if necessary, should be by way of preliminary amendment submitted prior to the first Office action to avoid delays in the prosecution of the application.
